

# BRANDON WUNDERLICH

Commercial Pilot | CFI Candidate

██████████ - fly@brandonwunderlich.com

Commercial, multi-engine rated pilot with 263.2 total flight hours, currently completing CFI and CFII training at Spartan College of Aeronautics and Technology. Hands-on experience mentoring fellow students through ground instruction and checkride preparation, with a track record of helping students pass on their first attempt. Seeking to bring that same patience and attention to detail into a flight instructor role.

## FLIGHT EXPERIENCE

**263.2 TOTAL FLIGHT TIME (TAA)**

<b>171.3</b> PILOT IN COMMAND	<b>59.8</b> CROSS-COUNTRY	<b>244.2</b> SINGLE-ENGINE
<b>19.0</b> MULTI-ENGINE	<b>18.9</b> NIGHT	<b>15.5</b> SOLO
<b>8.2</b> INSTRUMENT (ACTUAL)	<b>43.8</b> SIMULATED INSTR. (HOOD)	<b>43.1</b> SIMULATOR (FTD)

## CERTIFICATES, RATINGS & ENDORSEMENTS

### Certificates Held

- Private Pilot
- Instrument Rating
- Commercial Pilot
- Multi-Engine Commercial

### In Progress

- Certified Flight Instructor (CFI), on waitlist
- Certified Flight Instructor, Instrument (CFII), pending

### Endorsements

- Complex aircraft endorsement

## FLIGHT INSTRUCTION EXPERIENCE

### Peer Ground Instructor & Checkride Tutor

Spartan College of Aeronautics and Technology, Tulsa, OK

- Provided one-on-one and small group ground instruction to more than 15 pre-private pilot students on flight theory, regulations, and exam preparation
- Worked extensively with 3 students over multiple weeks, building structured study plans; all 3 passed their Private Pilot oral exam on the first attempt
- Taught students how to use the Airman Certification Standards (ACS) as a study framework rather than relying on rote memorization

*"I called Brandon every single night for 2 weeks and we would go over material for hours until I understood and felt confident for the checkride."* Paul Tobin, Former Student

## PROFESSIONAL EXPERIENCE

### Maintenance Technician, Topgolf 2022 to 2024

Chesterfield, MO

- Promoted to maintenance technician after demonstrating reliability and a strong work ethic
- Maintained equipment and worked flexible, irregular hours including evenings and weekends, building the attention to detail and adaptability that carry over directly into preflight checks and flight scheduling

### General Service Technician, Dobbs 2023 to 2024

Ellisville, MO

- Completed a high school internship program, performing routine automotive maintenance and building mechanical aptitude that transfers well to aircraft systems

## EDUCATION

### Spartan College of Aeronautics and Technology

Associate Degree, Tulsa, OK

### Lafayette High School

Wildwood, MO | Student of the Year award, Varsity Wrestling and Football
